**Fixed Leg Tables & Benches**

Our Cube Table and Bench range is stylish and modern in design – the ideal solution for secondary, higher and further education establishments. Benches can be stored neatly underneath the table for space efficient storage.

**Folding Tables & Benches**

Designed for simplicity of use, the Fast Fold tables and benches are lightweight but sturdy. The quick-folding mechanism makes them easy to erect and store as required. Available in varying widths and heights to accommodate children of all ages.

**Mobile Folding Tables**

The ultimate dining solution for schools, colleges and universities. These tables are easy to fold, store and clean, providing a practical and efficient dining solution. Our Mobile Folding Tables are available in 8, 12 and 16 seat options, with two heights to choose from (16 seat primary height only).

**Mobile Folding Benches**

Versatile in design, our Mobile Folding Benches are available in two styles: Convertible (3 in 1) Bench or Mobile Folding Bench. Each bench unit is mobile with heavy-duty castors and an easy-fold mechanism for storage, and are easily accessible for children.

**Primo Dining Furniture**

A modern concept in educational seating, the Primo Mobile Folding Tables have been designed for use in secondary, higher and further education establishments. Each table has the same features as our standard mobile folding tables with the added benefit of a contemporary aesthetic and finish.

# Caring For Your Tables

## Required Maintenance

- Regularly inspect table operation for smoothness and general stability
- Clean table tops according to current food service hygiene practices after each use
- Exterior components of tables should be inspected for food deposits and cleaned as required
- The underside of the tables should be inspected for chewing gum and other food deposits
- Every 6 months you should lubricate tables with a food grade silicon spray, which is required to pivot joints, or more often if indicated by stiff operation or noise
- Ensure tables are used in accordance with supplied operating instructions

**Caution:-** Excessive use of water during cleaning may cause corrosion
